In 1981 he started to help his father Dhirubhai Ambani run their family business, Reliance Industries Limited. By this time, it had already expanded so that it also dealt in refining and petrochemicals. The business also included products and services in the retail and telecommunications industries. Reliance Retail Ltd., another subsidiary, is also the largest retailer in India.[18] Reliance's Jio has earned a top-five spot[*further explanation needed*] in the country's telecommunication services since its public launch on 5 September 2016. As of 2016, Ambani was ranked as the 36th richest person in the world, and has consistently held the title of India's richest person on Forbes magazine's list for the past ten years.[19] He is the only Indian businessman on Forbes' list of the world's most powerful people.[20] As of October 2020, Mukesh Ambani was ranked by Forbes as the 6th-wealthiest person in the world.[21] He surpassed Jack Ma, executive chairman of Alibaba Group, to become Asia's richest person with a net worth of \$44.3 billion in July 2018. He is also the wealthiest person in the world outside North America and Europe.[22] As of 2015, Ambani ranked fifth among India's philanthropists, according to China's Hurun Research Institute.[23] He was appointed as a Director of Bank of America and became the first non-American to be on its board.[24] Through Reliance, he also owns the Indian Premier League franchise Mumbai Indians and is the founder of the Indian Super League, a football league in India.[25] In 2012, Forbes named him one of the richest sports owners in the world.[26] He resides at the Antilia, one of the world's most expensive private residences with its value reaching \$1 billion.[27]
